

# The Meanwood Project £12 for 12 Months

## How to Help

**Volunteer** your time. Faith without action is just words. Become a Trustee, Do some Fundraising or work with our young people.

**Donate** We are looking for people to make a commitment of only **£12 a month** and to commit for **only 12 months**. That is a one year commitment to the young people of our local community.

**Prayer.** If you are someone who prays, please pray that we will get the funding we need to bring this wonderful project to fruition.

## How to Donate:

**£12 for 12 Months**

**Set up a Standing order of £12**

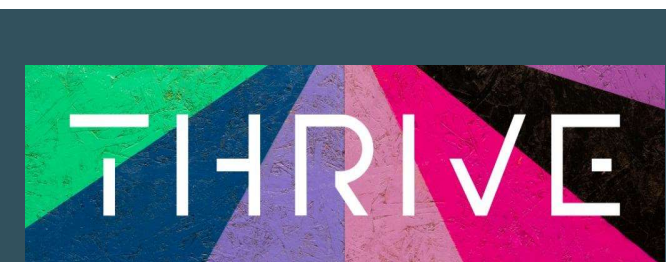

**per month for 12 months**

Acc Name: **THRIVE LEEDS**

Acc No: **65875348**

Sort Code: **08-92-99**

## Vision

---

The Meanwood Project is the newest venture of Thrive, a Christian project set up between four local churches to enable young people in north Leeds to reach their full potential.

For the last few years, we have been exploring a long-term youth project in Meanwood, in partnership with the community work organisation InterACT, which empowers local young people to greater aspirations, life skills and goals.

We have worked alongside a group who have led community events for the neighbourhood and are now ready to do more....much more.

## Our Values

---

### Growing in inclusion

Creating safe and welcoming spaces where everyone can be involved and be heard.

### Leadership and potential

Opportunities to develop skills, volunteer and get involved, youth work led by young people for young people.

### Enabling and transforming

Thrive is built on Christian values and this is embodied as we see young people having a positive impact on their peers and community.

## The Beginning

---

We will fulfil these goals with our own purpose-built unit at Stainbeck Church. This hole is our first step!

This was dug by some young people as part of the foundation planning – to see the consistency of the land we plan to build on.

A firm foundation is needed for young people as they build their lives, discovering their worth and potential.
